OFFICE, THE MERALD block, cor-ter West Temple and First South streets, lait Lake City. TERMS OF SUBSCRIPTION

Of course the senate stands on the tariff bill, else how could it act on it.

place hunters now in Washington as "les miserables," It begins to look us though Uncle

It is charged that the tariff bill is making little progress. It will make still less prosperity.

Deba' new order, the Social Democ very long before it will be awamped.

If, when annexed, Hawaii is to be

tain Cook county.

the discipline of a campaign of educa-

long ago.

In the matter of recognizing Cuban this: beiligerency, President McKinley is acting in a thoroughly non-partisan manner. His equipolse on the top-rall 'Very few men can successfully cop-

with a sudden acquisition of wealth," says the Washington Post. Fewer still have the chance to cope with a sudder acquisition of wealth.

When a mania for murder makes its appearance in Turkey it is called the spirit of Islam and persecution. When appears in the United States it is

cares anything for his reputation for consistency and adherence to principle, to get out an expurgated edition of his Recollections of Forty Years."

For a long time the Democratic party has been wishing that its adversary had written a book. And now Mr Cleveland proposes to write a book and thereby gratify one wish of the Demo-

What is the authority, and where are the statistics, for asserting that there were 19,632 murders committed in the United States last year? The stateand should be well fortified with facts denied. As a mere assertion it is not believeable.

The St. Louis Globe-Democrat of Friday last has a carroon on the fronting on a globe, his right supporting his bead. On the wall is a map of the United States have a carroon of the carroon in called. The Cardon is called, The Cid Man's Dream of Conquest." It is a dream that many are now dreaming, no doubt. An attempt to realize it would prove a nightmare.

The Sacramento Bee is radically opposed to the amexation of Hawaii. It says: "The tender of the Hawaiian islands to the United States by the Republic of Hawaii which holds them not by heritages, by purchase, by gift, nor by heritage, by purchase, and a Chris Buckley combined—this tender had a counterpart nearly 2.900 years ago when Satan took Christ Jesus up on a mountain high and offered him the kingdoms of the world."

North Carolina which he occasionally inhabits. But unless a great deal of a work of art, and, as such, a metter of public interest and of importance in the modelling of American standards of the province of the state solven modelling of American standards of the province of the state solven modelling of American standards of the american standards of the public of the state of the public of the could be much simplified if he could loan Biltmore, when not in use, to some responsible art gailery."

There is no question of chies about the matter. Biltmore may be a very beautiful place, but there is no more reason why Mr. Vanderbilt should open his North Carolina country seat to the public inspection on the plea that such inspection is important in the modelling of American standards of the star of the state Jesus up on a mountain high and of-fered him the kingdoms of the world!" that so seen as a rich man builds him-ky says be didn't mean Wammuker, but

#### OUR JULY VISITORS.

WASHINGTON BUREAU-1879 New ofk avenue, N. W. OGDEN BUREAU-Utab Lean and come by special invitation. That which brings them here is a matter of deep interest, not merely to Utah, but to the entire west. The manner tunnager. Address all remittances to HERALD company them come as specially in-Subscribers removing from one place ceive the attention and treatment that to another, and destring papers changed should slaways give former as well as precent address.

Better times are in sight—in the ment of the Trans-Mississippl congress, begins the Pioneer Jubilee celebration. To this will come people from the sur-rounding states and from all parts of our own state. And all these will be here at the invitation of the state, and The New York City authorities have all that is possible should be done to turned their thumbs down on prize- make them feel that they are the guests a year of normal imports, but the fact.

A local cynic speaks of the Utah The fact that the Trans-Mississippi congress and the Pioneer Jubilee cele-bration are to be held in this city devisitors are properly cared for and entertained. Every citizen should feel that he has a personal interest in our July visitors and do all in his power to make their sajourn pleasant and agreeable, that each may care and agreeable, that each may care to make their sajourn pleasant and agreeable, that each may care to make their sajourn pleasant and agreeable, that each may care to make their sajourn pleasant and agreeable, that each may care to make their sajourn pleasant and agreeable, that each may care to make their sajourn pleasant and agreeable, that each may care to make their sajourn pleasant and agreeable, that each may care to make their sajourn pleasant and agreeable, that each may care to the beavy importations of mortal these returning tell was intended for the very purpose of heading off these same importation.

Thither repair alone; the mountain heart Not two may only: these returning tell of mortals, the scientest fellowship of sajourn pleasant and agreeable. Sam were preparing to make Senor Don walk Spanish. Often it is easier to acquire a white elephant than to put it to a useful be filled with the kindliest feelings and so no mater what the cause, there will so no mater what the cause, there will a longing to return at a future day.

## TAMMANY'S FOURTH OF JULY

Tammany Hall will hold its usual were submitted to the natives it is be- and already has sent out invitations to lieved they would unanimously vote distinguished Domocrats all over the country to attend, and in issuing these invitations it has ignored divisions on attached to California as a county, it of these invited are Grover Cleveland, William J. Bryan, John M. Palmer David B. Hill, Roswell P. Flower, Ar "The question is, will the senate that rejected the arbitration treaty ratify the Hawaiian annexation treaty," asks the Omaha Bee. Two to one that it will.

Mr. Bryan could "poliform Washington. From this it would ish off" those whose names appear on seem that he is intending to devote himself to the study of ballad poetry rather than problems of finance.

ment is going the rounds of the press and should be well fortified with facts and should be well fortified with facts

self a magnificent town residence or a fine country seat and embellishes it with works of art and adds to the Next month Sait Lake City will have visitors as never before. In the first days of it there will be the Christian Endeavorers by the thousands on their way to California. They will be visitors in transity, but they will be visitors in transity, but they will be note the less welcome for that fact. They wield an immense influence on public opinion, and the impressions they receive of the state and people while here will be spread more or less over the whole country. Therefore when they come let them be shown a consideration. come let them be shown a consideration. Star says about Mr. Vanderbilt's right, and attention that will insure a true and favorable impression of Utah and her peonle.

Following the Endeavorers will come the delegates to the Trans-Mississippi imperior of culture or for the purpose of support of the purpose of the delegates to the Trans-Mississippi in the purpose of the purpose o ture of for the purpose of gaining new ideas as to forestry or landscape gardening can realily get permission to do so, but what the owner no doubt objects to is the throwing open of his place to the public as a park or name.

MORE DEFICITS IN PROSPECT.

The Kansaa City Times ways that untraordinary sources of revenue for the Not of the people of the state. And it will remains that the deficit for 1897-98 will The mountain less large temporary revenues are pro-

July visitors and do all in his power to make their sojourn pleasant and agreeable, that each may carry back to his house memories the most agreeable as its apparent illegality, very soon caused it to be abandomed. If there is be great discontent because of it and the people will charge it to the new tariff law. And the people will justly cuse to say that there would have been ial business of these who undertake to

provide the government with revenue to deal with conditions as they are and not as they would have them in their power to make it absolutely This can be done by the imposition of as a tax on ten and beer. In fact Senator Aldrich anticipated just such a deficit as now seems probable and provided internal revenue taxes to obviate bill in the senate and of course will never be added by the house. The party in power must provide ample revenue or confess fallure.

The New York Evening Post never

ver. Here is its intest: "The bimetaitheir whistling to keep their courage up comes very near outright misrepresentation. Thus Lord Aldenham's let-ter to the English Elimetallic league, two weeks ago, boldly prophesied that 'this year of jubilee' was going to crown the hopes of the international irrefutable unless the prophet gives his reasons. If he does give them and you can refute them, it makes both him and his prophecy look silly. Lord Aldenham was incautious enough to give reasons, and said that 'the greate reasons, and said that the great-evidence of the speedy coming of Harry the bimetallist millennium was to be lyes of the chancellor of the exchequer. March, 1896, was one asserting that the establishment of international identification would be beneficial to the best intercase of the country. On this, however, the himstalliass, though they had introduced it, did not dare challenge a vote. The resolution which was passed without oposition had not a word about himstalliasm in it, and the seminated which was the seminated which are presented in the seminated which was the Since the submission of the amexation treaty to the security has been revived. "Manifest destiny" has been revived. "Manifest destiny" has been revived. "Manifest destiny" can include quarrels with foreign countries just as easily as anything else.

It would be a programme worth going miles and miles in hear. We fancy hear feeting the sublimer or filter than to hear feeting in the "National" bear feeting in the consisted in asserting that we all like, all the members of the sovernment. Even the bimetaille Baifouri, agree in this, that we should not be about the personal baggage that Americans returning from Europe bring in free. What is the difference whether they bring it in free or not so long as the foreigner pays the fax?

Secretary of the Treasury C.

Secretary of the Treasury C.
